Combined Results of Mail Notice

Source / Mailing	Notices New	Results Delivered	Results Returned
TOTAL [All sources and mailings]	**2331**	**1949 (83.61%)**	**382**

[1] Number deemed final undeliverable. For the first mailing to entities with sales data and addresses, this is the number of notices returned for which no alternative address could be found. For all other rows, this is simply the number of notices returned, as there were no subsequent mailings.
[2] Total returns were 501 packages. Rust found alternative addresses for 299 of these and included them in a second mailing.
