Class Counsel for the Direct Purchaser Class

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

IN RE CAPACITORS ANTITRUST LITIGATION

Master File No. 3:17-md-02801-JD

Case No. 3:14-cv-03264-JD

THIS DOCUMENT RELATES TO:
ALL DIRECT PURCHASER ACTIONS

DECLARATION OF DOUGLAS A. MILLEN IN SUPPORT OF CLASS COUNSELS' APPLICATION FOR ATTORNEYS' FEES AND REIMBURSEMENT OF EXPENSES SUBMITTED ON BEHALF OF FREED KANNER LONDON & MILLEN LLC

I, Douglas A. Millen declare as follows:

1. I am a member of Freed Kanner London & Millen LLC (the "Firm"). I submit this declaration in support of class counsels' application for attorneys' fees for services rendered to the proposed class and for reimbursement of expenses reasonably incurred in the course of such representation. I make this declaration pursuant to 28 U.S.C. § 1746. The time expended in preparing this declaration is not included in the application for attorneys' fees.

2. I have reviewed the Court's October 31, 2014 Order Appointing Interim Lead Class Counsel (ECF No. 319) ("Order"), including in particular the Order's provisions regarding fees, costs, and expenses. The Firm has adhered to those provisions.

1 3. The Firm has acted as class counsel to the Direct Purchaser Class (the “Class”) in this
2 class action. Since we submitted our last declaration in support of an award of attorneys’ fees and
3 reimbursement of expenses, the Firm has been involved in the following activities on behalf of the Class
4 at the request and under the direction of Lead Counsel:

5 4. Assisted Interim Lead Class Counsel in preparation for trial by performing tasks,
6 including, but not limited to: preparation of critical demonstrative exhibits for trial and performance of
7 the evidentiary analysis necessary to ensure optimal effectiveness; legal research into both U.S. and
8 Japanese law, factual research, and preparation of legal memoranda relied upon for trial preparation and
9 refinement of litigation strategy; reviewed deposition transcripts and designated testimony for use at
10 trial; researched case law and drafted motions in limine, Fed. R. Civ. P. 50 motions for judgment as a
11 matter of law, and opposition to Defendants’ motion for directed verdict; reviewed daily trial transcripts
12 and provide Lead Counsel with daily updated drafts of Rule 50 motions and opposition to motion for
13 directed verdict based on that day’s testimony. During the period from January 1, 2020 through March
14 31, 2022, the Firm performed 377.2 hours of work in connection with this litigation. Based upon the
15 historical hourly rates charged by the Firm, the lodestar value of the time is \$281,923.75.00. Attached as
16 **Exhibit A** is a chart that indicates the attorneys, paralegals and staff who worked on this litigation, the
17 number of hours worked, the categories of their work, and their respective lodestar values. Exhibit A
18 was prepared from contemporaneous, daily time records regularly prepared and maintained by the Firm,
19 and they have been provided to Lead Counsel for review.

20 5. All of the services performed by the Firm in connection with this litigation were
21 reasonably necessary in the prosecution of this case. There has been no unnecessary duplication of
22 services for which the Firm now seeks compensation. The lodestar calculations exclude time spent
23 reading or reviewing work prepared by others or other information concerning this case unless related to
24 preparation for, or work on, a matter specifically assigned to the Firm by Lead Counsel. The rates at
25 which the Firm seeks compensation are its usual and customary hourly rates charged for similar work.

26 6. Attached as **Exhibit B** is a chart summarizing \$76,995.77 of reasonable and necessary
27 expenses the firm has incurred during the period January 1, 2020 through March 31, 2022 in connection
28

1 with this litigation for which it has not yet been reimbursed. Expense documentation has been provided
2 to Lead Counsel for audit and review.

3 7. The expenses incurred are reflected on the books and records of the Firm. These books
4 and records are prepared from checks and expense vouchers that are regularly kept and maintained by
5 the Firm and accurately reflect the expenses incurred.

6 8. The Firm's compensation for the services rendered on behalf of the class is wholly
7 contingent. Any fees and reimbursement of expenses will be limited to such amounts as approved by the
8 Court.

9 I declare under penalty of perjury under the laws of the United States that the foregoing is true
10 and correct. Executed on June 17, 2022 in Bannockburn, Illinois
