UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

IN RE CAPACITORS ANTITRUST
LITIGATION

Master File No. 3:14-cv-03264-JD

THIS DOCUMENT RELATES TO:
ALL DIRECT PURCHASER ACTIONS,

**[PROPOSED] FINAL JUDGMENT OF
DISMISSAL WITH PREJUDICE AS TO
DEFENDANT FUJITSU LIMITED**

Date: March 2, 2017
Time: 10:00 a.m.
Judge: The Honorable Judge Donato
Courtroom: 11, 19th Floor

This matter has come before the Court to determine whether there is any cause why this Court should not approve the settlement between Plaintiffs Chip-Tech, Ltd., Dependable Component Supply Corp., eIQ Energy, Inc., and Walker Component Group, Inc. (together, the “Direct Purchaser Plaintiffs” or “Plaintiffs”), individually and on behalf the Direct Purchaser Class they seek to represent, on the one hand, and Fujitsu Limited, on the other, set forth in the Settlement Agreement dated January 18, 2016 (the “Settlement Agreement”). The Court, after carefully considering all papers filed and proceedings held herein and otherwise being fully informed in the premises, has determined (1) that the settlement should be approved, and (2) that there is no just reason for delay of the entry of this Final Judgment approving the Settlement Agreement. Accordingly, the Court directs entry of Judgment, which shall constitute a final adjudication of this

1 case on the merits as to Fujitsu Limited in accordance with the terms of the Settlement Agreement.
2 Good cause appearing therefor, it is:

3 **ORDERED, ADJUDGED AND DECREED THAT:**

4 1. The Court has jurisdiction over the subject matter of the Action and over all parties to
5 the Settlement Agreement, including all members of the Settlement Class.

6 2. The Court incorporates in this Final Judgment the definitions of terms set forth in the
7 Settlement Agreement [ECF No. 1461-2] as though they were fully set forth in this Final Judgment.
8 Specifically, “Settlement Class,” as defined in the Settlement Agreement, means all persons in the
9 United States that purchased Capacitors (including through controlled subsidiaries, agents, affiliates
10 or joint ventures) directly from any of the Defendants, their subsidiaries, agents, affiliates or joint
11 ventures from January 1, 2002, through July 22, 2015. Excluded from the Settlement Class are
12 (i) Defendants (and their subsidiaries, agents and affiliates) and their co-conspirators and (ii) each
13 member of the Class Action who has timely requested exclusion by “opting out.”

14 3. The Court finally approves and confirms the settlement set forth in the Settlement
15 Agreement and finds that said settlement is, in all respects, fair, reasonable and adequate to the
16 Settlement Class pursuant to Rule 23 of the Federal Rules of Civil Procedure.

17 4. Pursuant to Fed. R. Civ. P. 23(g), the Court appoints the Joseph Saveri Law Firm as
18 counsel for the Settlement Class. This firm has and will fairly and competently represent the
19 interests of the Settlement Class.

20 5. The persons/entities identified in the “Summary of Entities Requesting Exclusion as
21 of April 5, 2017” attached as Exhibit A, have validly requested exclusion from the Class and,
22 therefore, are excluded, except that Hon Hai Precision Industry Co. Ltd., Dell Inc., and EMC
23 Corporation did not request to be excluded with respect to the settlement relating to Fujitsu Limited.
24 Such persons and entities, and only such persons and entities, are not included in or bound by this
25 Final Judgment to the extent they have requested exclusion from the settlement relating to Fujitsu
26 Limited. Such persons and entities shall not receive any of the proceeds obtained through the
27 Settlement Agreement to the extent they have requested exclusion from the settlement relating to
28 Fujitsu Limited.

1 6. This action is dismissed with prejudice as against Fujitsu Limited, each side to bear its
2 own costs and attorneys' fees except as provided by the Settlement Agreement and the Court's
3 orders.

4 7. All persons and entities who are Releasors are hereby barred and enjoined from
5 commencing, prosecuting or continuing, either directly or indirectly, against the Releasees, in this or
6 any other jurisdiction, any and all claims, causes of action or lawsuits, which they had, have, or in the
7 future may have, arising out of or related to any of the Released Claims as defined in the Settlement
8 Agreement [ECF No. 1461-2].

9 8. The Releasors hereby and forever release and discharge the Releasees with respect to
10 the Released Claims as defined in the Settlement Agreement [ECF No. 1461-2].

11 9. Without affecting the finality of the Court's judgment in any way, the Court retains
12 continuing and exclusive jurisdiction over the Settlement and the Settlement Agreement, including
13 all future proceedings concerning the administration, interpretation, consummation, and
14 enforcement of the Settlement Agreement.

15 10. This document constitutes a final judgment and separate document for purposes of
16 Federal Rule of Civil Procedure 58(a).

17 11. The Court finds, pursuant to Rules 54(a) and (b) of the Federal Rules of Civil
18 Procedure, that there is no just reason for delay in the entry of this Judgment, as a Final Judgment, as
19 to Plaintiffs and the Settlement Class and Fujitsu Limited. Accordingly, the Court directs the Clerk
20 to enter Judgment forthwith.

21 IT IS SO ORDERED.
