(collectively, “Hitachi Chemical”); and Plaintiffs Chip-Tech, Ltd., Dependable Component Supply Corp., eIQ Energy, Inc., and Walker Component Group, Inc. (collectively, “Direct Purchaser Plaintiffs” or “Plaintiffs” or “Class Representatives”), who have filed suit as representatives of a class of similarly situated direct purchasers of aluminum, tantalum and film capacitors (“Capacitors”), as defined below, in the class action *In re Capacitors Antitrust Litigation*, Master Docket No. 14-cv-3264-JD, currently pending before the Honorable James Donato in the United States District Court for the Northern District of California. WHEREAS, Direct Purchaser Plaintiffs are prosecuting the Action (as defined below) on their own behalf and on behalf of the Settlement Class against Hitachi Chemical and other Defendants and alleged co-conspirators;

WHEREAS, on June 9, 2016, Hitachi Chemical Co., Ltd. pleaded guilty to criminal charges brought by the United States Department of Justice that alleged Hitachi Chemical Co.,

WHEREAS, Direct Purchaser Plaintiffs have thoroughly analyzed the facts and the law regarding the Action and have concluded that a settlement with Hitachi Chemical at this time according to the terms set forth below is fair, adequate and reasonable, and in the best interest of Direct Purchaser Plaintiffs and the Settlement Class;

WHEREAS, Hitachi Chemical has concluded, despite its belief that it is not liable for the claims asserted against it in the Action and that it has good defenses thereto, that it will enter into this Settlement Agreement to avoid further expense, inconvenience, and the distraction of

burdensome and protracted litigation, and thereby to put to rest this controversy with respect to the Direct Purchaser Plaintiffs and the Settlement Class and avoid the risks inherent in complex litigation;

WHEREAS, arm's-length settlement negotiations have taken place between counsel for Direct Purchaser Plaintiffs and Hitachi Chemical, and through mediation conducted by Antonio Piazza; and

WHEREAS, this Settlement Agreement embodies all of the terms and conditions of the settlement between Direct Purchaser Plaintiffs and Hitachi Chemical, both individually and on behalf of the Settlement Class; has been reached as a result of the parties' negotiations (subject to the approval of the Court) as provided herein; and is intended to supersede any prior agreements between the Settling Parties.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED, by and among the Settling Parties, by and through their undersigned attorneys of record, in consideration of the covenants, agreements, and releases set forth herein and for other good and valuable consideration, that the Action be finally and fully settled, compromised, and dismissed on the merits and with prejudice as to Hitachi Chemical only, without costs as to Direct Purchaser Plaintiffs, the Settlement Class, or Hitachi Chemical, upon and subject to the approval of the Court, following notice to the Settlement Class, on the following terms and conditions:

Upon such rescission and termination, Direct Purchaser Plaintiffs and Hitachi Chemical will notify the Court immediately and withdraw all pending motions filed to effectuate this Settlement. In the event that Hitachi Chemical exercises its option to rescind and terminate this Settlement Agreement: (a) this Settlement Agreement shall be null and void as to Hitachi Chemical, have no force or effect, and be without prejudice to the rights and contentions of Releasees and Releasers in this or any other litigation; and (b) the Settlement Fund shall be refunded promptly to Hitachi Chemical, minus any expenses or costs relating to settlement administration, notice to Settlement Class Members, and the payment of taxes, as set forth in Paragraphs 39(a)(i)-(iii) & 39(b)(ii)-(iii) of this Settlement Agreement. remaining Defendants, the parties specifically agree that any findings therein shall not be binding on or admissible in evidence against Hitachi Chemical or prejudice Hitachi Chemical in any way in any future proceeding involving Hitachi Chemical.

12. Upon the date that the Court enters an order preliminarily approving the Settlement Agreement, Direct Purchaser Plaintiffs and members of the Settlement Class shall be barred and enjoined from commencing, instituting or continuing to prosecute any action or any proceeding in any court of law or equity, arbitration tribunal, administrative forum or other forum of any kind based on the Released Claims.

13. Nothing in this Settlement Agreement shall prohibit the Direct Purchaser Plaintiffs or Class Counsel from continuing to participate in discovery in the Action against other Defendants or third parties.

Release and Discharge

14. ***Released Claims.*** In addition to the effect of the Final Judgment entered in accordance with this Settlement Agreement, upon the occurrence of the Effective Date and in consideration of payment of the Settlement Amount and cooperation, the Releasees shall be completely released, acquitted, and forever discharged from any and all manner of claims, demands, rights, actions, suits, and causes of action, whether class, individual, or otherwise in nature, damages whenever incurred, liabilities of any nature whatsoever, including costs, expenses, penalties, injuries, and attorneys' fees that Releasers, or any one of them, whether directly, representatively, derivatively, or in any other capacity, ever had, now have, or hereafter can, shall, or may have against the Releasees, whether known or unknown, relating in any way to any conduct by Releasees alleged in the Action and any joint and several liability arising from the conduct of any of the Defendants in the Action prior to the Effective Date arising under or relating to any federal or state antitrust laws, unfair competition, unfair practices or trade practice

laws, civil conspiracy, or common law or statutory fraud claims, whether such claims are known or unknown, suspected or unsuspected, asserted or unasserted, foreseen or unforeseen, actual or contingent, liquidated or unliquidated, regardless of legal theory and regardless of the type or amount of relief or damages claimed, or claims that have been, could have been, or in the future might have in law or in equity, on account of arising out of, resulting from, or in any way related to any conduct regardless of where it occurred at any time prior to the Effective Date, concerning the purchase, pricing, selling, discounting, marketing, manufacturing and/or distributing of Capacitors in the United States and its territories or for delivery in the United States and its territories. The Released Claims also include, but are not limited to, all claims asserted or which could have been asserted in the Action relating to or arising out of the facts, occurrences, transactions, statements, or other matters alleged in this Action including, but not limited to, claims arising under federal or state antitrust, unfair competition, unfair practices, price discrimination, unitary pricing, trade practice, or civil conspiracy law, including without limitation the Sherman Act, 15 U.S.C. § 1 *et seq.*, but excluding (a) any claim for any product defect, breach of warranty, breach of contract, trade claims, claims under the Uniform Commercial Code or similar claims between Settlement Class Members and Hitachi Chemical relating to Capacitors or any claim for personal or bodily injury, (b) claims based on indirect purchases of Capacitors, and (c) claims based on purchases of Capacitors excluded by the Foreign Trade Antitrust Improvement Act, 15 U.S.C. § 6a.

of any putative, purported or certified class of purchasers. Releasors and Class Counsel acknowledge that they and Hitachi Chemical each consider it to be a material term of this Settlement Agreement that all Releasors will be bound by the provisions of this paragraph.

16. Upon the acceptance by the Claims Administrator and approval by the Court of a claim timely submitted by an Authorized Claimant, Hitachi Chemical waives and relinquishes as against each such Authorized Claimant any rights pursuant to arbitration agreements, forum selection clauses, and/or jury waiver clauses with respect to the Released Claims.

17. ***Waiver of California Civil Code § 1542 and Similar Laws.*** The Releasors acknowledge that for the consideration received hereunder, it is their intention to release, and they are releasing all Released Claims, whether known or unknown. In furtherance of this intention, the Releasors expressly waive and relinquish, to the fullest extent permitted by law, any rights or benefits conferred by the provisions of California Civil Code Section 1542 (“Section 1542”) and similar provisions in other states. The Releasors acknowledge that they have been advised by Class Counsel of the contents and effects of California Civil Code Section 1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

18. The provisions of the release set forth above in Paragraph 14 shall apply according to their terms, regardless of provisions of Section 1542 or any equivalent, similar, or comparable present or future law or principle of law of any jurisdiction. The Releasors may hereafter discover facts other than or different from those that they know or believe to be true with respect to the subject matter of the Released Claims, but the Releasors hereby expressly waive and fully, finally, and forever relinquish any and all rights and benefits existing under (i)

Section 1542 or any equivalent, similar, or comparable present or future law or principle of law of any jurisdiction and (ii) any law or principle of law of any jurisdiction that would limit or restrict the effect or scope of the provisions of the release set forth herein.

19. ***Claims Excluded from Release.*** Nothing in this Settlement Agreement is intended to limit, reduce or affect whatever rights Settlement Class Members or any of them may have to seek damages or other relief in the Action or elsewhere from any person or entity other than Hitachi Chemical and/or any Releasee, as that term is defined herein, to the fullest extent allowed by law. This obligation shall continue until the case is fully resolved by settlement, summary judgment or trial, and all appeals periods have run or any appeals have been exhausted. If the certification is not sufficient for trial, Hitachi Chemical will in good faith work with Direct Purchaser Plaintiffs to ensure that Hitachi Chemical's documents are adequately certified based on the requirements of the Court for trial.

Additionally, Direct Purchaser Plaintiffs and Hitachi Chemical will take reasonable efforts to accommodate the other's efforts to minimize duplication in the provision of any cooperation.

27. **No Other Discovery.** Upon the execution of this Settlement Agreement, neither Hitachi Chemical nor the Direct Purchaser Plaintiffs shall file motions against the other or initiate or participate in any discovery, motion, or proceeding directly adverse to the other in connection with the Action, except as specifically provided for herein. Hitachi Chemical and the Direct Purchaser Plaintiffs shall not be obligated to respond or supplement prior responses to formal discovery that has been previously propounded by the other in the Action.

28. **Meet and Confer.** The Settling Parties recognize that Hitachi Chemical is a Defendant in other cases brought by different plaintiffs concerning allegations of violations of antitrust laws regarding Capacitors (including but not limited to claims brought by the Known Opt-Outs). If Hitachi Chemical has not resolved all of the related cases by the time any cooperation obligation pursuant to Paragraph 22 comes due, Direct Purchaser Plaintiffs and Hitachi Chemical agree to meet and confer regarding the timing and manner of cooperation to be provided by Hitachi Chemical to Direct Purchaser Plaintiffs and/or Class Counsel under the provision at issue.

Settlement Fund

29. Each Settlement Class Member shall look solely to the Settlement Fund for settlement and satisfaction, as provided herein, of all claims released by the Releasers. Except as provided by order of the Court, upon finally approving and giving effect to the Settlement Agreement, no Settlement Class Member shall have any interest in the Settlement Fund or any portion thereof.

30. Before the Effective Date, disbursements for expenses associated with providing notice of the settlement to the Settlement Class, expenses associated with administering the settlement, and any payments and expenses incurred in connection with taxation matters relating

to the settlement and this Settlement Agreement may be made from the Settlement Fund. In the event the Settlement Agreement is disapproved, rescinded, or the Effective Date does not occur, such amounts shall be refunded to Hitachi Chemical.

31. The Settlement Fund will be invested in instruments secured by the full faith and credit of the United States and any interest earned (or negative interest) thereon shall become part of (or paid from) the Settlement Fund. Such portions of the Settlement Fund as may reasonably be needed to pay current expenses associated with providing notice to the Settlement Class and administering the Settlement Fund may be paid from the Escrow Account.

32. ***No Liability for Distribution of Settlement Fund.*** Neither the Releasees nor their counsel shall have any responsibility for, interest in, financial obligation for, or liability whatsoever with respect to the investment, distribution, use, or administration of the Settlement Fund, including, but not limited to, the costs and expenses of such investment, distribution, or administration, except as otherwise provided in this Settlement Agreement. Hitachi Chemical and its counsel shall likewise have no responsibility for, interest in, financial obligation for, or liability whatsoever with respect to the allocation or distribution of the Settlement Fund and shall not be responsible or otherwise liable for any disputes relating to the amount, allocation, or distribution of any fees, costs, or awards. Further, after paying the Settlement Amount, Hitachi Chemical shall not be liable for any additional payments to the Settlement Class Members or Class Counsel pursuant to this Settlement Agreement.

33. ***Distribution of Net Settlement Fund.*** After the Effective Date, the Settlement Fund shall be distributed in accordance with a distribution plan that Class Counsel shall submit at the appropriate time for approval by the Court.

34. *Attorneys' Fees.* Class Counsel may, in its sole discretion, seek an award of attorneys' fees, reimbursement of expenses, and service awards to Settlement Class Members at the time of filing the Preliminary Approval Motion or at the time Notice is disseminated to the Settlement Class or in a subsequent notice to the Settlement Class.

35. The procedure for, and the allowance or disallowance by the Court of, any application by Class Counsel for attorneys' fees and expenses are not part of the settlement, and are to be considered by the Court separately from the Court's consideration of the fairness, reasonableness and adequacy of the settlement. Any order or proceeding relating to any application for, or approval of, attorneys' fees and expenses, the pendency of any such application, or any appeal or review of an order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Settlement Agreement, or affect or delay the finality of the Judgment.

36. Class Counsel shall have sole authority to determine the allocation of attorneys' fees awarded by the Court. Hitachi Chemical shall have no responsibility for, and no liability whatsoever with respect to, the division of attorneys' fees and expenses among Plaintiffs' counsel, and any negotiation or dispute among Plaintiffs' counsel in that regard shall not operate to terminate or cancel this Settlement Agreement, or affect or delay the finality of the Judgment. Hitachi Chemical shall have no responsibility for, and no liability whatsoever with respect to, any payment(s) to Plaintiffs' counsel or to any other counsel representing any Direct Purchaser Plaintiff or the Settlement Class pursuant to this Settlement Agreement and/or to any other person who may assert some claim thereto or any fee and expense award that the Court may make in this Action, other than as set forth in this Settlement Agreement.

37. Direct Purchaser Plaintiffs and Class Counsel and any other counsel representing any Direct Purchaser Plaintiff or the Settlement Class shall be reimbursed and paid solely out of the Settlement Fund for all costs, fees and expenses including, but not limited to, attorneys' fees; past, current, or future litigation expenses (including, but not limited to, experts' and consultants' fees and expenses); the costs of giving notice of this settlement to the Settlement Class; and any service awards to the Settlement Class Members, subject to application to and approval of the Court.

38. At the discretion of Class Counsel, disbursement of such fees, costs, and expenses, as ordered by the Court, need not be delayed by reason of any appeal of the Final Judgment; provided, however, if the Court's award of fees, costs, and expenses is vacated, reversed, or reduced on or as a result of an appeal, Class Counsel shall within ten (10) business days after receiving written notice from the Court of such vacatur, reversal, or reduction, make a refund to the Escrow Account in the amount of such vacatur, reversal, or reduction with interest, except for any expenses or costs relating to settlement administration, notice to Settlement Class Members, and the payment of taxes as set forth in Paragraphs 39(a)(i)-(iii) & 39(b)(ii)-(iii) of this Settlement Agreement.

Disbursement of the Settlement Fund

39. The Settlement Fund shall be disbursed as follows, or as otherwise ordered by the Court.

- a. Prior to entry of Final Judgment:
 - i. Any fees and expenses incurred in administering the Escrow Account and the Settlement Fund shall be paid from the Settlement Fund. The costs of settlement notice and administration of the Settlement Agreement and Settlement Fund shall be paid by the Escrow Agent to the Claims Administrator with notice of such payments provided to counsel for the Settling Parties.

ii. Disbursements for the payment of any taxes (including any estimated taxes, interest or penalties) due, as a result of income earned by the Settlement Fund, shall be made promptly by the Escrow Agent with notice of such disbursements provided to counsel for the Settling Parties.

iii. The Settlement Fund shall be made available to Class Counsel for purposes of paying the actual cost of settlement notice and related administrative costs;

b. After entry of Final Judgment:

i. The attorneys' fees and litigation expenses approved by the Court may be distributed to Class Counsel from the Settlement Fund within five (5) days of an order approving attorneys' fees and expenses. Class Counsel may withdraw from the Settlement Fund and allocate amongst counsel for the Plaintiffs any fees and expenses so awarded to them by the Court; provided, however, that in the event that the order(s) approving the fee and expense award is reversed or modified on appeal, and in the event that counsel for the Plaintiffs (or any of them) has received payment, such counsel shall, within ten (10) business days of the date which the fee and expense award is modified or reversed, refund to the Settlement Fund the fees and expenses previously received by them in full (less costs of notice) or in any amount consistent with such reversal or modification, plus any actual interest earned thereon through the date of such refund;

ii. Fees or expenses incurred in connection with the administration of the Escrow Account and the Settlement Fund, including the fees and expenses incurred as part of notice and claims administration, shall be paid from the Settlement Fund by the Escrow Agent with notice of such disbursements provided to Class Counsel;

iii. Disbursements for the payment of any taxes (including any estimated taxes, interest or penalties) due as a result of income earned by the Settlement Fund shall be made promptly by the Escrow Agent with notice of such disbursements provided to counsel for the Settling Parties;

c. After the Effective Date:

i. Any service awards awarded by the Court for services rendered to the Settlement Class by Class Representatives as set forth in the proposed notice forms ordered by the Court may be distributed to Settlement Class Members from the Settlement Fund after the Effective Date of the Settlement; and

- ii. The balance of the Settlement Fund after the payment of attorneys' fees, costs, and expenses, taxes, service awards, costs of notice and administration of the Settlement and Settlement Fund, and pursuant to the procedures set forth in a plan of allocation may be distributed to Authorized Claimants in accordance with the applicable procedures as approved by the Court.

40. ***Balance Remaining in Settlement Fund.*** In the event monies remain as residue in the Settlement Fund following all distribution efforts approved by the Court (whether by reason of tax refunds, uncashed checks or otherwise), Class Counsel shall move the Court for an order disposing of all such funds, including additional possible distributions to approved Settlement Class claimants and/or *cy pres* distribution as approved by the Court.

41. ***Use of Agreement as Evidence.*** The Settling Parties agree that this Settlement Agreement, whether or not it shall become final, and any and all negotiations, documents, and discussions associated with it, shall be governed by Federal Rule of Evidence 408 and shall not be deemed or construed to be an admission or evidence of any violation of any statute or law or of any liability or wrongdoing by Hitachi Chemical or of the truth of any of the claims or allegations made in the Action, and evidence thereof shall not be admissible or used directly or indirectly in any way in the Action or in any other action or proceeding, except an action to enforce or interpret the terms of the Settlement Agreement. The parties expressly reserve all of their rights if the settlement does not become final in accordance with the terms of this Settlement Agreement.

Taxes

42. Class Counsel shall be solely responsible for directing the Claims Administrator to file all informational and other tax returns necessary to report any taxable and/or net taxable income earned by the Settlement Fund. Further, Class Counsel shall be solely responsible for directing the Escrow Agent to take out of the Settlement Fund, as and when legally required, any

tax payments, including interest and penalties due on income earned by the Settlement Fund. Hitachi Chemical shall have no responsibility to make any filings relating to the Settlement Fund and shall have no responsibility to pay tax on any income earned by the Settlement Fund or to pay any taxes on the Settlement Fund unless the settlement is not consummated and the Settlement Fund is returned to Hitachi Chemical. Other than as specifically set forth herein, Hitachi Chemical shall have no responsibility for the payment of taxes or tax expenses.

43. For the purpose of § 468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the “Administrator” of the Escrow Account shall be the Claims Administrator, who shall timely and properly file or cause to be filed on a timely basis, all tax returns necessary or advisable with respect to the Escrow Account (including without limitation all income tax returns, all informational returns, and all returns described in Treas. Reg. § 1.468B2(1)).

44. The Settling Parties shall treat, and shall cause the Claims Administrator to treat, the Escrow Account as being at all times a “qualified settlement fund” within the meaning of Treas. Reg. § 1.468B1. The parties, their counsel, the Claims Administrator, and the Escrow Agent agree that they will not ask the Court to take any action inconsistent with the treatment of the Escrow Account in such manner. In addition, the Claims Administrator and, as required, the parties shall timely make such elections as necessary or advisable to carry out the provisions of this paragraph, including the “relation-back election” (as defined in Treas. Reg. § 1.468B1(j)) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Claims Administrator timely and properly to prepare and deliver the necessary documentation for signature by all necessary parties and thereafter to cause the appropriate filing to occur. All

provisions of this Settlement Agreement shall be interpreted in a manner that is consistent with the Escrow Account being a “qualified settlement fund” within the meaning of Treas. Reg. § 1.468B1. Interest earned by the Settlement Fund (less any tax imposed upon such interest) shall be for the benefit of the Settlement Class, less reasonable attorneys’ fees and expenses approved by the Court (and any interest awarded thereon), any Court-approved awards to Plaintiffs, and payment of any and all administrative expenses associated with the Action or the settlement.

Miscellaneous

45. Direct Purchaser Plaintiffs expressly warrant that, in entering into this Settlement Agreement, they have relied solely upon their own knowledge and investigation, and not upon any promise, representation, warranty, or other statement by Hitachi Chemical not expressly contained in this Settlement Agreement.

46. The agreed-upon procedures and requirements regarding Settlement Class Members’ rights and options, including filing objections in connection with and/or appearing at the final approval hearing, are intended to ensure the efficient administration of justice and the orderly presentation of any Settlement Class Members’ objections to the Settlement Agreement, in accordance with such Settlement Class Member’s due process rights. The Settling Parties will request that the order granting the Preliminary Approval Motion further provide that objectors that fail to properly or timely file their objections, along with the required information and documentation set forth above, or to serve them as provided above, shall not be heard during the Final Approval Hearing or have their objections considered by the Court.

47. **Headings.** The headings used in this Settlement Agreement are intended for the convenience of the reader only and shall not affect the meaning or interpretation of this Settlement Agreement.

48. **No Party Deemed To Be the Drafter.** None of the parties hereto shall be deemed to be the drafter of this Settlement Agreement or any provision hereof for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter hereof.

49. **Entire Agreement.** This Settlement Agreement and the Confidential Termination Agreement constitute the entire completed agreement among Plaintiffs and Hitachi Chemical pertaining to the settlement of the Action against Hitachi Chemical. This Settlement Agreement and the Confidential Termination Agreement may be modified or amended only by a writing executed by Class Counsel and Hitachi Chemical.

50. If any one or more of the provisions of this Settlement Agreement shall for any reason be held to be illegal, invalid, or unenforceable in any respect, such illegality, invalidity, or unenforceability shall not affect any other provision if Hitachi Chemical's counsel and Class Counsel mutually agree to proceed as if such illegal, invalid, or unenforceable provision had never been included in the Settlement Agreement.

51. **Choice of Law.** All terms of this Settlement Agreement shall be governed and interpreted according to the substantive laws of the State of California without regard to its choice of law or conflict of laws principles.

52. **Consent to Jurisdiction.** The Court retains exclusive jurisdiction over all matters relating to the implementation and enforcement of the Settlement Agreement or about the terms of the Confidential Termination Agreement. Plaintiffs and Hitachi Chemical hereby irrevocably

submit to the exclusive and continuing jurisdiction of the Court for any suit, action, proceeding or dispute arising out of or related to this Settlement Agreement or the applicability or interpretation of this Settlement Agreement, including the cooperation consideration provided by this Settlement Agreement.

53. ***Execution in Counterparts.*** This Settlement Agreement may be executed in counterparts by Class Counsel and Hitachi Chemical, and a facsimile or PDF signature shall be deemed an original signature for purposes of executing this Settlement Agreement and so executed shall constitute one agreement.

54. ***Notification of State Officials.*** Hitachi Chemical shall notify federal and state officials of this settlement as specified in 28 U.S.C. §§ 1715(a) & (b).

55. ***Binding Effect.*** This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the parties hereto. Without limiting the generality of the foregoing, each and every covenant and agreement herein by Direct Purchaser Plaintiffs and Class Counsel shall be binding upon all Settlement Class Members.

56. ***Authorization to Enter Settlement Agreement.*** Each of the undersigned attorneys represents that he or she is fully authorized to conduct settlement negotiations and to enter into the terms and conditions of, and to execute, this Settlement Agreement on behalf of his or her respective clients, subject to Court approval.

57. ***Confidentiality of Settlement Negotiations.*** Class Counsel shall keep strictly confidential and not disclose to any third party, including specifically any counsel representing any other current or former party to the Action, any non-public information regarding the Settling Parties' negotiation of this settlement and/or the Settlement Agreement, except that the Settling Parties may file under seal any documents concerning this Settlement or the negotiation

of the Settlement Agreement in connection with a motion or proceeding to enforce or contest the terms of this Settlement Agreement. For the sake of clarity, information contained within this Settlement Agreement shall be considered public, and Hitachi Chemical may issue a press release regarding execution of the Settlement Agreement and the amount paid in connection with the Settlement Agreement.

58. **Notices.** Unless otherwise specifically provided for herein, any notice or other communication required or permitted to be delivered to any party under this Settlement Agreement shall be in writing and shall be deemed properly delivered, given and received when delivered to the address set forth beneath the name of such party signing below.

IN WITNESS WHEREOF, the parties hereto, through their fully authorized representatives, have agreed to this Settlement Agreement as of November 30, 2017.
