DIRECT PURCHASER ANTITRUST CLAIM FORM

STEPS FOR SUBMITTING A CLAIM:

(1) Review your purchase information:

Our records indicate you may be a member of the settlement class in this action. The settlement class is defined as all persons in the United States that purchased Capacitors (including through controlled subsidiaries, agents, affiliates, or joint-ventures) directly from any Defendant from January 1, 2002 through December 31, 2013. Excluded from the settlement class are Defendants (and their subsidiaries, agents or affiliates); shareholders holding more than 10% equity interest in Defendants; any co-conspirator; all governmental entities and the judges and chambers staff assigned to hear any aspect of this action; and each member of the settlement class that timely requests exclusion. Also excluded from the settlement class are those that effectively excluded themselves in accordance with the terms of the 2019 Notice of Certification of Class of Direct Purchasers of Capacitors.

Based on your total amount spent of \$<<TotalSpent>>, your estimated award amount is \$<<EstimatedAward>>. Your total spend amount is calculated based on transactions billed to or shipped to United States addresses, pursuant to the Court's Order Re: Phase I Of Summary Judgment On Foreign Transactions (Dkt. 1302 of 14-cv-03264). A copy of that Order is available at www.capacitorsantitrustsettlement.com. Your estimated award amount is an estimate assuming full participation by all class members but excluding any attorneys' fees and reimbursement of expenses that may be approved by the Court. Settlement proceeds will be distributed on a pro rata basis at the time an allocation is made based on the total dollar amount of Capacitors that you purchased (which are listed in the grid on the following page) relative to the total dollar amount of Capacitors purchased by all members of the settlement class that timely submit valid claims, after deducting Court-awarded fees and expenses as described in the Notice.

The details concerning the amount of your qualifying purchases are set forth in the following page. If you do not agree with the purchases as they are listed, please provide additional documentation to support your claim and submit them by the deadline listed below to the Claims Administrator.

This Claim Form includes the same defendants that settled in the previous round, as well as additional defendants. This new Claim Form will need to be signed and submitted, even if an earlier claim was submitted from any previous round(s) of this Settlement.

(2) Release, Sign, & Date:

I/we hereby certify under penalty of perjury that the above and foregoing information concerning us is true and correct. I/we agree that the total amount of purchases set forth above and listed on the following page is true and correct to the best of our information and belief. By signing this form, I/we release all claims as described in the Notice and in: (a) paragraphs 11 through 16 of the Settlement Agreement with Matsuo (Dkt. 1667-2, Ex. A of 17-md-02801); and (b) paragraphs 11 through 16 of the Settlement Agreement with NCC and UCC (Dkt. 1667-2, Ex. B of 17-md-02801).
